

## Reusable and Washable 3 Layered Mask

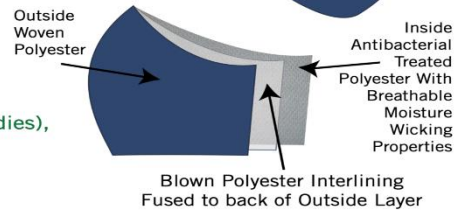

For avoiding contaminating others with your spittle.  
Having a mask on prevents hand contact with your face.  
Assists with people respecting social distances – if someone sees you wearing a mask, it can reassert the social distancing rules of 1.5 metres separation.

**Australian Made**

\* Prices are inclusive of GST.

**Sizes**  
Small (Youth, Small Ladies),  
Medium (Ladies),  
Large (Mens),  
X-Large (Big Mens)

**What you must remember is a material mask is not a medical mask. As with all masks, the medical advice is to wash your hands before putting them on, not to touch it while on your face, and wash after use.**
